

## Sample Menu

Each of the facilities we lease to run our programs offer a varied, but familiar, dining experience. Below you will find a selection of meals your school may experience at any of our sites across the country.

### Breakfasts:

- Fruits.
- Dairy items such as milk and yogurt.
- Bread items such as bagels and toast.
- A selection of different cereals and oatmeals
- Meats, usually pork in the form of breakfast sausage, patties or bacon.
- Eggs, cooked in different styles.
- Pancakes, Waffles, Biscuits.

### Lunches and Dinners

- Burgers, either chicken turkey or beef.
- Pizza, various toppings.
- Veggie or Beef Tacos.
- Different style Pasta dishes.
- Subs and sandwiches.
- Rice based dishes.
- Grilled Cheese
- Soups
- Chicken Tenders
- Sides will include fries, vegetables, bread items.

### Salad Bar:

All of our facilities offer a salad bar with ever changing options.

\*The dining options that your students experience is not limited to the options above and their experience may also differ. This document is designed to help parents, teachers and students understand what they can expect while dining at Nature's Classroom Institute.

If you would like information on any dietary requirements please refer to our document that has our specific dietary requirement policies.
